

# GTB CUSTOM SHOP

A READING TRUCK GROUP COMPANY

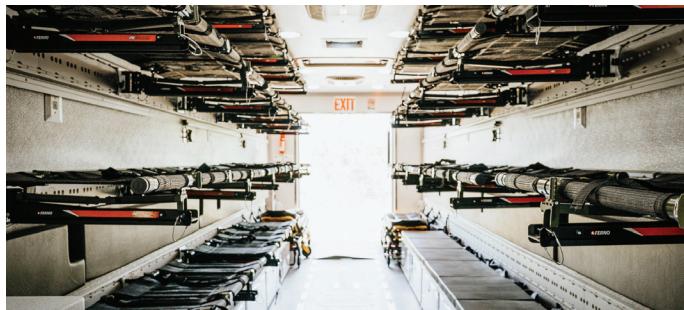

## MULTI-PATIENT VEHICLE

GTB Custom Shop's Multi-Patient Vehicles (MPVs) are purpose-built for rapid, adaptable response in disaster scenarios. Designed to transport and care for multiple patients, these units can be scaled and customized to meet specific needs. Configurations can be tailored to optimize patient capacity, navigate city streets or rugged terrain, or convert between litter and ambulatory configurations. With built-in crew accommodations for command, communications and multi-alarm support, the MPV delivers true multi-mission capability.

## FEATURES

- Capacity of up to 21 littered patients or 25 seated patients with lap belts
- Litter arms can be reconfigured or stored based on mission requirements
- Two deployable stretchers
- Standard onboard winch for bariatric stretcher loading
- Each litter position has:
  - ↳ Oxygen outlet
  - ↳ Medical-grade electrical outlet
  - ↳ Optional patient light

- Ability to provide stand-by power for an ambulance strike team (up to five ambulances)
- Exterior oxygen storage
  - ↳ Three bottles (size H) per side for a total of six bottles
  - ↳ Easy access to exchange bottles
  - ↳ Manifold with low pressure alarm
  - ↳ Large digital display inside the unit to read pressure
- Double-door rear body entry/exit with onboard deployable ramp
- Onboard 30kW diesel generator mounted to chassis frame below floor
  - ↳ Single fuel source from truck chassis fuel tank
  - ↳ Below floor containment with sound barrier to reduce interior noise
  - ↳ 50 amp and 100 amp shore power plugs

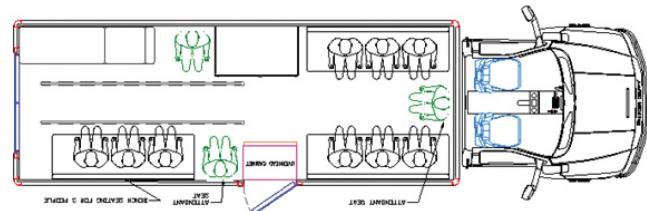

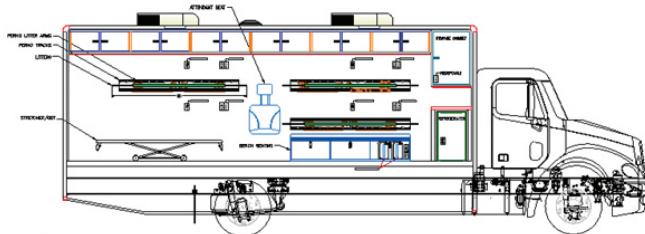

## ABOUT OUR PARENT COMPANY

The Reading Truck Group, LLC, a business unit of JB Poindexter & Co, is a veteran-owned leading manufacturer, distributor and upfitter of work truck bodies and equipment. Established in 1955 and based in Reading, PA, all Reading Truck bodies (and GTB Custom Shop vehicles) are proudly made in the USA with outstanding craftsmanship that provide longevity and durability. Reading Truck bodies are available through an extensive national network of distribution partners, and Reading Truck equipment centers, offering expert upfitting, parts, equipment and services to outfit a single truck or an entire fleet.
